

ARAIYS DESIGN LANDSCAPE ARCHITECTURE

Araiys Design, L.A., P.C. is a licensed and insured professional corporation that has been providing individualized landscape architectural services to a variety of clients in the New York metropolitan area since 1993.

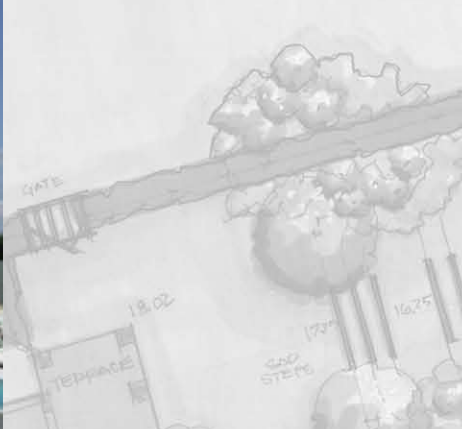

Retained by public, non-profit and private entities, Araiys Design has created and renovated many sites within the municipal, recreational, corporate, health care, housing, industrial, educational, retail and residential province.

Working with other design professionals, the firm uses the latest computer software to provide a multidisciplinary approach to achieve cost effective, comprehensive design solutions for their clients.

As Landscape Architects, we understand that our resources include the landscape and the people that interact with it.

Araiys Design is dedicated to social and environmental responsibility on a local and global level.

CONCEPT PLAN

Tim Rumph, founder and president of Araiys Design, has a longstanding appreciation and passion for creative design and a comprehensive knowledge of regulatory, environmental, and zoning matters.

With more than 30 years of experience, Tim has managed projects through state, county and local governmental approval processes. He has also worked as a consultant to numerous municipalities.

Tim received his formal training at Rutgers University. He continually builds on his knowledge through industry-related education.

Araiys Design Philosophy

At Araiys Design, we have a passion for connecting people with the beauty of their natural surroundings.

We believe in designing places that reflect our client's vision while protecting sensitive ecological environments. In turn, our clients can feel confident we will provide thoughtful, practical and striking outdoor spaces designed for living and longevity.
